

"An Evening in Paris"

Brother Knights

Saturday April 25, 2015 from 6:30p to 10:00p is the date set for our Annual Father Daughter Dance.

You should plan on bringing your daughter(s) for "An Evening in Paris" celebration. In the past we have had daughters ranging from age 2 to 22. You will also receive a keepsake photo of you and your daughter(s) to remember the evening as well as photo opportunities throughout the evening. The girls always enjoy the event and dad gets some dancing exercise aside from the normal golf course variety.
